

# GT Mini 3330

Intuitively simple video meetings for every room

With next-generation, exceptionally intuitive video meeting systems, StarLeaf makes instant collaboration from any room simple. Enjoy secure and reliable, feature-rich video meetings, easy calling, and instant screen sharing with anyone, anywhere.

Built for the enterprise and tailored to you, the GT Mini range has the flexibility to match any budget or room size. Put your meetings in safe hands with StarLeaf and our industry-unique 99.999% SLA uptime guarantee and ISO/IEC 27001 certification.

## Simplicity across all your meeting spaces

- Always ready and always up-to-date
- A complete purpose-built system with no need for PCs, remote controls, or adapters
- Easy installation and setup with QuickConnect
- Works seamlessly with existing video and voice including Cisco, Poly, Zoom, Microsoft Teams\* and Lifesize

## Unrivalled intuitive user experience

- See upcoming meetings and join at the push of a button
- Meet with anyone, anywhere
- Advanced in-call controls
- Intuitive dedicated touchscreen controller

## Reliability for any size room

- Join meetings instantly with one-touch
- Totally interoperable – users can call anyone on any video system and join meetings hosted by other providers with MultiJoin\*
- Secure connection at all times
- Automatic software updates

## GT Mini 3330 range
